Notes

Some schools start at 7th grade. Most Open Houses and Tours ask for an RSVP. Please check websites for application deadlines.

Magnet Schools require applications through LAUSD CHOICES. The CHOICES application is online. Parents who are interested in applying to any Magnet School are encouraged to apply online. There will be a very small number of printed CHOICES applications, and they will no longer be mailed to families.

To apply online, parents must have an account with Parent Access through LAUSD at <http://parentaccess.lausd.net> . You will need an email address to register. The process may take time, and early registration is strongly recommended.

The CHOICES application is open from October 1, 2021 - November 13, 2021.
Please check CHOICES website for additional information on applying for Magnet Schools and requirements:
